## SUPERVISORS MEET IN REGULAR SESSION

The board of supervisors met in regular session, Monday, November 15th, at 10 o'clock a. m., there being present Joseph M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain and C. V. Thompson.

The minutes of the meetings of November 1st and 8th were read and approved.

On motion of MacBain, seconded by Casey, the Redwood City Democrat was authorized to print lithographed letter heads for the county officials at the schedule price of $4.75 per thousand.

On motion of MacBain, seconded by Casey, the auditor was authorized to collect the rent of $20 per month from the sheriff for the use of the house on the property recently acquired for a jail site.

On motion of MacBain, seconded by Brown, it was ordered that the auditor be instructed to draw a warrant for the payment of the taxes due on the Webster street jail property, excepting the personal property tax.

Supervisor MacBain addressed the board in reference to two half orphan children who had been recently deprived of State aid. On his recommendation it was ordered that the two children be allowed aid in the sum of $6.25 per month each.

On motion of Brown, seconded by Casey, the auditor was instructed to keep track of all orphans and half orphans in the county from whom state aid has or will bave been withdrawn.

C. N. Berry, representing Gordon Rowe, the expert employed by the board to examine the books of the county recorder, submitted a preliminary verbal report, showing the records of the office to be perfectly correct in every respect.

The following report of the county recorder from November 1st to 8th, inclusive, was read and ordered filed:

H. O. HEINER, RECORDER.
Fees collected during Nov., 1st to 8th inc., 1915..........$ 277 00

The report of Traffic Officer M. F. Brown from November 1st to 14th, inclusive, was read and ordered filed.

A communication from H. C. Finkler, offering to supply gratis, the necessary water for sprinkling the Whipple road from the city limits to Baywood Glen, was ordered referred to Supervisor Brown of the Second township.

Mrs. Jennie M. Perham and family of Hillsborough addressed a communication to the board, in which they thanked the members for their resolutions of respect to the memory of the late George H. Perham.

Daniel Scatena of Colma, in the Second Township, was granted a liquor license, he having complied with the county ordinance and furnished the required bond.

The application of Mrs. Peterson, an aged lady of Menlo Park, for aid was granted on motion of MacBain, seconded by Casey, she being allowed $8 per month.

On motion of MacBain, seconded by Casey, the claim of Thomas H. Waters for $20, being for work performed on the La Honda road, was allowed.

District Attorney Swart addressed the board in reference to the system employed by L. B. Jones, the recently discharged squirrel official, in cashing his claims against the county for services rendered and supplies supposed to have been purchased in connection with the extermination work. The district attorney informed the board that Jones had been arrested for passing fraudulent claims, and had been held to answer to the Superior Court., the case to come up Wednesday.

The district attorney gave a verbal opinion on a number of claims that had been submitted to him at the last meeting of the board, among which was one from the sheriff's office for automobile hire and traveling expenses. The objection to several of the claims according to Mr. Swart, was that they were not properly itemized. Action on the passage of the claims was deferred until the next meeting.

Acting upon the advice of the district attorney, the committee consisting of Supervisors Brown, MacBain and Casey, appointed at a previous meeting to look into the matter of purchasing an automobile for the sheriff's office, recommended the buying of a six-passenger car and runabout, both of which are to be at the disposal of the members of the board when not being used by the sheriff or his deputies.

On motion of Brown, seconded by Casey, the committee was empowered to purchase the above machines.

District Attorney Swart addressed the board in reference to making provision for the care of persons who meet with accidents and who have no one to look after them. The district attorney was instructed to draw up the proper resolutions covering the matter.

At the request of Supervisor Thompson, the board selected Wednesday of this week to make an inspection of the road from Pescadero to Gazos creek.

On motion of MacBain, seconded by Casey, the plans and specifications prepared by Engineer Neuman for the construction of a road at Holy Cross Cemetery, were adopted and the clerk was instructed to advertise for bids.

The board adjourned at 11:40 a. m., to meet again Monday, December 6th.

## PEOPLE WILL SELECT NEW SCHOOL SITES

The selection of sites for the new schools for Redwood City is to be left entirely to the people of the district. For the purpose of getting the matter before the people and so there should be no delay in making the selections, the school trustees appointed a committee of eighteen men from the different districts. This committee met Monday evening at the grammar school. Trustees Steinberger, Littlejohn and Poole, Superintendent of Schools Roy W. Cloud and Supervising Principal R. W. Mantz were also present.

A. D. Walsh was elected chairman and D. R. Stafford secretary respectively, of the committee.

Mr. Mantz, Mr. Cloud and Mr. Steinberger offered suggestions as to the size of the sites needed and also the class of school buildings to be erected. Maps of the different districts were provided by Mr. Mantz and were at the disposal of the committee.

After hearing from a number of the members, the committee decided to give public notice to all persons who have available sites to submit same to the committee before the next meeting, December 1st. The committee will look into the different sites thoroughly and approve or disapprove as they think best.

The committee will then secure a number of the most desirable si[illegible] and these will be submitted to the people to be voted upon at a meeting called by the clerk of the school board. E. T. McGettigan was selected to assist Secretary Stafford in sending out publicity matter in order to secure offers of sites from property owners.

The following is the committee appointed by the school trustees:

George A. Merrill, Chas. G. Landscheit, Frank K. Towne, T. C. Rice, Carl Muller, Peter McKay, A. D. Walsh, Roy Cloud, D. R. Stafford, K. S. Murray, E. V. Hoenck, V. Bernasque, F. L. Baird, Joseph Perry, Geo. W. McNulty, E. T. McGettigan, L. A. Heiner and H. C. Tuchsen.

### SCHOOL CHILDREN WILL SEE FAIR FIRST TIME SATURDAY

Through the thoughtfulness of Superintendent of Schools Roy W. Cloud, about fifty-two children from the schools of this city will get their first glimpse of the Exposition Saturday. These children represent those who were unable to go to the Exposition at the time the San Mateo county school children's day was held last May, and have had no other opportunty of visiting the Jewel City.

The children are to be the guests of Mr. Cloud and are to be taken to the fair in machines generously provided by different owners of cars in this city. An early start will be secured and the return trip made at 7 o'clock in the evening, thus giving the children a long day at the Exposition.

### Will Operate on Full Time.

A representative of the Peninsula Laundry of this city announced at the smoker of the Chamber of Commerce last week that the company would soon be running on full schedule time. For several months past the local concern has been operating only five days in the week, but business has increased to such an extent of late that it has been found necessary to return to the old schedule.

### CARD PARTY AT THE WOMAN'S CLUB LARGELY ATTENDED.

The card party given by the Woman's Club Tuesday evening was a very enjoyable affair and was largelv attended. The club rooms were beautifully decorated in chrysanthemums and red berries. Prizes were awarded Mrs. Sarah Wentworth and Mrs. George A. Merrill for the highest scores.

The hostesses were Mrs. Frank P. Wentworth and Mrs. C. A. Young.

### REDWOOD TAILOR AS HOLDUP MAN, IS KILLED BY POSSE.

D. Tucker, a tailor who worked for Carl Muller in this city, was shot and instantly killed early Tuesday morning at Mountain View by a sheriff's posse from San Jose. A companion of Tucker was shot in the groin and seriously wounded.

The two men, according to the San Jose police, had entered the Swiss-American Hotel bar in that city shortly before midnight Monday and after taking $42 from the cash register and robbing several patrons, made their escape to the San Jose freight yards where they forced the conductor of a freight at the point of their pistols to allow them aboard.

At Sunnyvale where the train switched the conductor telephoned the San Jose police and when Mountain View was reached, the officers were waiting. The bandits on top of a car, were ordered to throw up their hands. Tucker opened fire immediately and was shot dead by the posse. His companion jumped to the ground but was brought down with a charge of buckshot in his thigh and groin.

Very little is known of Tucker in this city. He had been in the employ of Carl Muller for about three weeks and the night of the San Jose robbery, worked right up to six o'clock. He left the shop at that time in company with a man, who had called in to see him earlier in the day and whom Tucker said was a friend of his from San Francisco. The two men went to the Rudolph House, where Tucker roomed and this was the last seen of them here.

Carl Muller stated that Tucker was one of the best workmen he had ever had; was quiet, inoffensive and not addicted to drink. He was a Russian-Finn.

Sheriff Sheehan, who is assisting the Santa Clara authorities in their investigation of the case, expressed a belief yesterday that Tucker and his wounded companion may be the same men who held up Hippen's bar in San Mateo last August.

### TAX COLLECTOR McSWEENEY VISITS TOWNS IN COUNTY

Last week Tax Collector Ambrose McSweeney began his visits to the different towns of the county for the purpose of collecting the taxes on all personal property and one-half of the taxes on all real property which are now due and payable and which will be delinquent on December 6th.

The tax collector was in Pescadero and San Gregorio Wednesday and in Halfmoon Bay on Saturday. Monday he visited San Bruno and yesterday, South San Francisco. Today he is at Colma. Saturday, he will be in Daly City, Monday, in Burlingame and Tuesday and Wednesday in San Mateo.

### WILL BRING CHILDREN TO SUNDAY SCHOOL IN AUTOS.

To accommodate the children of the outher districts and to encourage them in attending Sunday school, Rev. M. B. Young of the Methodist church has decided to inaugurate a free bus service in this city. The busses will be put in operation next Sunday and trips will be made to north Arguello street, the Redwood Highlands, Wellesley Park districts and the Roosevelt avenue and Five Points sections.

### JUDGE BUCK ESTABLISHES LONG DISTANCE RECORD

Judge Geo. H. Buck established a record this week among the judiciary for rapid traveling and quick dispatching of court business that is liable to stand for some time.

His honor left Redwood early Sunday morning in his machine, drove to San Francisco, took the boat across the bay, and then went on to Lakeport, Lake county, by railroad train and stage, arriving in the latter place Sunday afternoon. Monday morning he presided at a trial in the Superior Court at Lakeport, heard arguments on both sides and submitted the case on briefs. Monday evening he was back in Redwood City. Lakeport is 125 miles from here.

### Interesting Hybrid Geese

Some very interesting hybrid geese have been reared by Mr. Chase Littlejohn. These hybrids are a cross between female Canada geese (Branta canadensis) hatched from eggs secured at Lake Tahoe and the Chinese horned goose. The horned goose gander is not of the usual type, being almost white. Four out of the female Canadas laid, and sixteen young have been reared. A few from the earlier settings were almost full grown on June 27, 1915. Although having many characteristics of the Canada goose, such as white cheeks and gray bodies, yet the two cheek patches meet on the throat and there is usually a white stripe down the middle of the neck and breast and other white patches on the body. The rearing of these hybrid geese is especially interesting because of ~~the fact~~ that the wild Canada goose has never been successfully bred in California, and because so few characteristics of the horned goose appear in the hybrid birds.

### MRS. MEHETABLE P. BEESON A PIONEER AT REST

### Had Lived in Redwood City for Over Half a Century

Mrs. Mehetable P. Beeson, a pioneer resident of this city, closed her eyes in the peaceful slumber of death last Saturday. She had been a resident of Redwood City since 1853. Mrs. Beeson was born in Boston nearly 80 years ago. The deceased is survived by three sons and two daughters—Albert, Will, Edward and Ella Beeson, and Mrs. George Allen, besides a number of grandchildren and great grandchildren. The funeral took place on Monday. Rev. M. B. Young who officiated at the residence paid the following beautiful tribute to the deceased:

"Her parents were Methodists but having lost her mother in her childhood, she came to Illinois to make her home with an aunt who was a Quaker. She therefore naturally united with the Quaker church as a girl and in this beautiful faith she has lived and died.

"Everyone who knew her, knew her to be a loveable Christian character. She was mother not only to those of her own household, but to all who needed her help. She entered many homes as an angel of blessing before the days of the trained nurse. Through many a long night and anxious day she ministered to rich and poor as a true representative of Him who came to bear our burdens, carry our sorrows and heal the broken hearted. She rejoiced in living a beautiful life in God's beautiful world and she has received her reward of a crown of life.

"There is nothing so inspiring as the memory of a beautiful Christian life, so may we treasure it and try to imitate this life.

'Death is never welcome but could she speak to us now I think she would say 'weap not for me for I have gone to a city without griefs or graves, without sins or sorrows, a city where there are no tears for God has wiped them all from our eyes. A city which delights in having Jesus for its King, and saints and angels for citizens. Weep not for me but seek and follow Him who has been my Savior and my Friend all these years that you may meet me here and we shall dwell forever in this God's beautiful, eternal kingdom of love.' "

### METHODIST BUS HONKS IN HIGHWAYS AND HEDGES

By Rev. Mahlon B. Young, Pastor of Methodist Episcopal Church

A good many years ago a religious teacher of immortal fame said something about going out into the highways and the hedges and compelling people to come in. A new interpertation has been given to this ancient saying. The people of the local Methodist church seem to have read these words in the original language and translated them something as follows, "contract with auto buss men to go out into the outlying districts and get the people big and little, bring them to Sunday school and church, then take them safely back." At any rate this is what is being done. Three or four trips will be made next Sunday and probably more as the plan is worked out.

Bulletin boards will be posted along the routes giving schedule and stops. There will be definate meeting places and times for those of each community. The park districts, and Roosevelt avenue and possibly Arguello and other districts will be added. It will be a free bus service, the church is financing the enterprise.

### FORESTERS TO GIVE MASKED BALL WEDNESDAY EVENING

### Special Music and a Large Crowd Will Make an Evening of Delight

You will not know your best friend at the big event of the year, which is now but one week off and which is to be attended by all—old and young in every walk in life. This is an event that is looked forward to with the keenest delight by all dancers and merrymakers. As the Foresters have always conducted their annual masquerade in the best possible manner, each year sees a larger crowd.

There are prizes for the most elaborately costumed masker, for the best sustained, most original, most comical, and others, as well as for groups of maskers; and there are seventy-five door prizes for all spectators and maskers.

Mullen's six-piece orchestra, with McCann as violinist, will show the crowd what can be done in the way of a tickling of the feet, and it will be your fault if your favorite song is not played at the dance. Ask for it. Music begins at 8 p. m., and dancing will be permitted until 9 p. m., at which time the floor will be cleared for the maskers' grand march. Preceding the grand march, maskers will meet in the Foresters' lodge rooms.

A costumer, with a full line of masks, costumes, etc. will be at Lamb's store Wednesday with a stock to satisfy all.

Lady maskers free, gentlemen maskers $1.00, spectators 50 cents. Come: enjoy yourself, and bring the family. Don't try to catch the last train or bus, it is better to be safe than sorry. The time: Wednesday night, November 24th. The place: Foresters' hall. The girl—She's in mask; guess again.

### Coastside Gleanings

The domestic science classes of the high school visited Francis' meat market on Tuesday morning for the purpose of learning the cuts of meat by seeing them cut from the carcass. George Daneri very kindly cut up both the hind and fore quarters of a beef, showing where the different cuts are located. The trip was of great value to the girls.

Work has been started on the cafe and bathhouse at Brighton Beach. The cafe builhing is to be 29 by 68 feet and will be completed by early spring. The bathhouse will cover an area of 450 by 12 feet and will be equipped with all the modern conveniences of a structure of that character.

Harr Wagner was one of the speakers on the program on "Joaquin Miller Day" at the festival hall at the Fair on Wednesday afternoon. His theme, "Traveling with Joaquin Miller," was a masterly and beautiful tribute to the great poet, who was his friend.

Ground is being prepared for the erection of the bathhouse at Princeton-by-the-Sea by the Princeton Beach Inn management. The buliding is to be erected by coastside carpenters and work will be commenced very soon. The three eating houses there did a land office business last Sunday, and at different times during the day there were over 200 automobiles distributed along the beach front.

It is reported that Geo. O. Rich expects to replace certain tracts of land in Moss Beach on the market again very shortly. This property has been off the market for nearly five years, and it is very welcome news to the people of the Triangel to hear the difficulties have been removed, making possible for Moss Beach to come into its own.

### Condemnation Suit Transfered

San Mateo County through District Attorney Franklin Swart has brought a condemnation suit in the superior court against Asa Hull. The purpose of the suit is to condemn a small strip of land for a right of way over the Hull property at San Carlos for the new state highway. The suit was originally commenced against Mrs. Hull but she having passed away the action was commenced against her son to whom she deeded the land before she died. The county is negotiating with Mr. Hull to compromise the case but the suit had to be commenced for one of the conditions of the deed filed recently by the Spring Valley Company which gave a right-of-way over its land to the county was that all suits for rights-of way against property owners along the proposed route of the road must be filed by November 19th. For that reason the action had to be brought nowithstanding the fact that the matter between Mr. Hull and the County had been practically settled. Suits were brought against the Brittan estate and Mrs. Keogh some time ago. Negotiations are now pending looking to an early settlement of these cases.

### SUCCESSFUL PRODUCTION TO BE REPEATED TONIGHT

### "The Isle of Chance" at the Alhambra Again This Evening

Last night Mr. Carrington achieved another of his successes by putting on The Isle of Chance at the Alhambra. This is his third original operetta. As with the other operettas, all the characters except the part taken by Mr. Carrington were well represented by carefully trained students. The costuming was particularly attractive and well deserved the praise it received.

The opening chorus was unique in that the house was in complete darkness and the girls on the stage used flash-lights which seemed to be flitting about quite like Will-o'-the-Wisps A very beautiful dance was used in the second act and much applause was bestowed upon Mildred Lamb and Dorothy Bresse for the splendid way in which they performed their graceful number. The whole production was very pleasing and a well filled house showed its approval by much applause and frequent encores. It is expected that not only will many others attend this evening but that some of those who were present last night will come again tonight. There are plenty of good seats left.

John Wallace Miller, aged 35, and Viola Mae Tennant, both of Napa.
